

In September, BJFEZ signed two agreements. First, the Economic Cooperation MOU signed on 14th of September with Department of Commerce of Zhejiang province of China.

This MOU established the bridge network to Zhejiang province known as the China's business hub of economic and real estate, which has more than 520,000 light industrial tenants in machinery, electronics, IT, and petrochemicals. BJFEZ also participated the Business Week Convention held in Zhejiang, with promotion booth to publicize the BJFEZ to Chinese companies.

The second agreement was signed with the Pusan University of Foreign Studies. Commissioner Ha (BJFEZ) and President Jung of Pusan University of Foreign Studies signed a business agreement for cooperation on September 19, 2012 at the main building of University.

On September 26, 2012, officials of Niigata University Hospital of Japan visited the BJFEZ (Commissioner Ha) to discuss the investment opportunities, incentives available here at Ungdong area of BJFEZ.

The Commissioner Ha and BJFEZ officials attended the Busan New Port, Phase 2-3 Container Terminal opening ceremony at Busan New Port with 300 officials from public and private institutions attending.
