June 2013 Investor Newsletter

This month BJFEZ Authority welcomes the Wilo Pump (Germany)

On Tuesday June 4, BJFEZ Authority and Wilo Pump Ltd. celebrate the ribbon cutting ceremony at front of more than 200 guests, among the guests were BJFEZ commissioner Seo, Busan City Mayor Hur, Johannes Regenbrecht(vice ambassador from Germany), Dr. Jochen Oplander(CEO, Wilo SE), Oliver Hermes(CEO Wilo Pump Ltd.) and more government officers. Wilo Pump Group is global company with 7,000 employees and more than 60 offices & manufacturing over the world.

Following that BJFEZ had quite a bit of visitations,

First, from Russia Glav Torg company CEO Victor Pavlov and his group visited the BJFEZ on June 10, to research the investment opportunity.

Second, Foreign port authority officers about 20 members visited the BJFEZ sponsored by Korea Maritime University on June, 12.

Third, Dr. Rusty Brooks from Carl Vinson Institute of Government (U.S.) visited the Deputy commissioner Jeong(BJFEZ) on June 14. They share the information and discuss the technology issues.

And last, Government officers from Qingdao China visited the BJFEZ on June 19, to study the systems and history of BJFEZ, also discuss the cooperation from each organization.

The Busan-Jinhae Free Economic Zone Authority
would like to best wish for all our readers.
