

Going through hot summer of August, BJFEZ start the September with promoting ‘BJFEZ PR Photo Contest’, just in time for season of the autumn. This contest is open to wide range of public with no age limits, no gender or nationality requirement for the participations. There will be award with price money for the contesters and BJFEZ hopes to discover the great photos for the BJFEZ promotion purpose.

Also this month we had four visitations from foreign government officers and business associations

First on Thursday August 8; Chinkiang city officers from China Jiangsu province visited the BJFEZ to study the operation of BJFEZ.

Second on August 12; CEO Xu and 5 members of ‘SITO FUND’ investment team visited the BJFEZ (commissioner Seo) with in mine to invest in BJFEZ logistic center, tourism & leisure, and industrial complex.

Third on August 28; from Iraq government (building & development) visited us with questions of development plan of BJFEZ

And finally the fourth visit was from Swiss business association on August 29.
