Busan-Jinhae Free Economic Zone Authority host an Investment Seminar for Minnesota entrepreneurs sponsor by the University of Minnesota International Management of Technology Projects

On February 28, 2013 at Busan-Jinhae Free Economic Zone Authority (commissioner: Myeng-Keun Ha) hosted 31 people from the University of Minnesota International Management of Technology Projects (IMTP) for promotion seminar.

The IMTP delegations visited Busan while they are in 2weeks of Asia tour for researching the Asia economic and market. The most of delegations are Technology leader and train to become CTO and CEO of their companies (3M, IBM, Verizon, Xcel Energy, and etc.) and all expense is paid by its own companies.

The University of Minnesota is a prestige University, currently ranks 9th in USA for working MBA program and 64th in the world ranking as Social Science & Management, and 87th in the world ranking as Engineering & Technology.

The IMTP delegations also visited Busan Technology, Busan Port Authority at North Port and Jagalchi fish market in one day tour before they head back to Seoul.

This one day tour was organized by the BJFEZ and hopes that this will bring a investment opportunity toward BJFEZ area, when these delegations goes back to US with good impression on investment opportunity here at BJFEZ area.

The Busan-Jinhae Free Economic Zone Authority
would like to wish all our readers the happiest year with family.
