The BJFEZ Authority celebrated the groundbreaking ceremony for LG CNS global data center, which took place at Mieum high-tech manufacturing industrial park

At present, besides BJFEZ Authority commissioner Ha, were mayor Hur of Busan Metropolitan City and Chairman Jae of Busan city assembly.

This month BJFEZ Authority finalized the detailed operational planning for 2012 and the goal for the Foreign Direct Investment attraction was set at USD \$240 million which breaks down to high-tech manufacturing industry of USD \$153million, logistics industry of USD \$43million, tourism of USD\$24million, and others (USD \$20 million). Beside FDI, the attraction target for domestic companies was set at 260billion won.
